THE LISTINGS

'SITE 92' The second exhibition in this nonprofit gallery's impressive big, new space presents site-specific works by more than 25 artists. Highlights includes a colorful column of hovering butterflies made of candy wrappers by Luisa Caldwell; fanciful architectural elements painted on the wall by Amy Yoes; people imitating the sounds of pigeons in an audio-video work by Beth Krebs; and, by Virginia Poundstone, a tableau representing a satellite that has crashed in the jungle. Smack Mellon, 92 Plymouth Street, Dumbo, Brooklyn, (718) 834-8761, through March 5. (Johnson)
